

My Rock Chart

Name: _____

In the chart below, record the following about each rock you collect:

- **Date:** When did you find it?
- **Location:** Where did you find it? Near a river? Under a tree?
- **Size:** Measure and record its length, width, and height. Or, approximate its size: About the size of an apple? A grape?
- **Color:** Describe its colors and patterns. Is it gray? White with black specks?
- **Texture:** Feel the rock. Is it smooth? Rough?
- **Shape:** Is it round? Flat? Sharp?
