

#### WHAT TO DO:

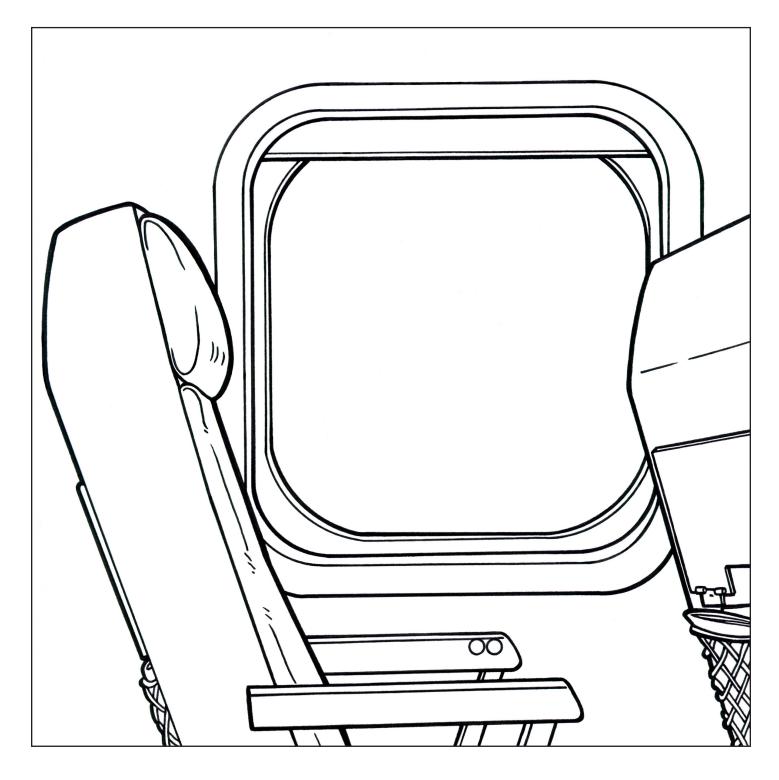

- Use your imagination and picture each of the four scenes on the following pages in your head. **What would you see?**
- Then draw how the world would look to you from each of the different windows.

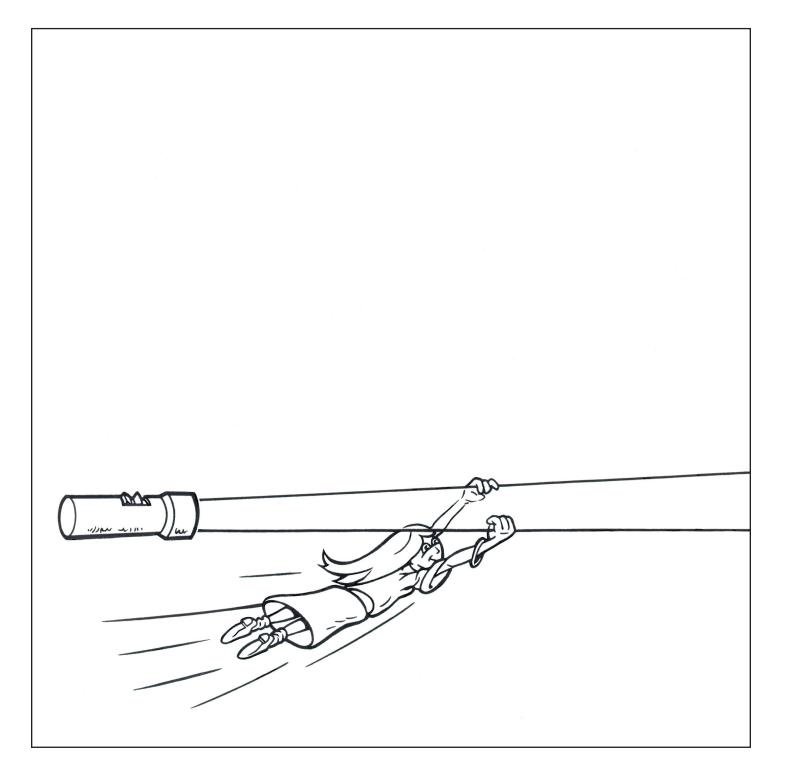

# Imagine you are looking out your bedroom window. What would you see?

# Imagine you are looking out the window of a speeding car. What would you see?

## Imagine you are looking out of an airplane window. What would you see?

## Imagine you are riding on a beam of light. What would you see?
